2000 W. Danforth Rd., Ste. 130 #203, Edmond, OK 73003

2. Page 6, Nuclear Medicine Technology Program Director

Mary McCormick, PhD, CNMT mmorga25@jhmi.edu

Effective June 2011:

1. The cost of the NMT Program will increase to \$10,000
2. The length of the NMT Program will be 18 months (graduation will be in December)
3. The Program will include approximately 576 additional hours of Computed Tomography (classroom and clinical)

Upon successful completion of the 18 month Program, students will be eligible for the NMT and CT Board Exams. Please contact the NMT Program Director, Mary McCormick, at mmorga25@jhmi.edu or 410-528-8299 for further information or questions.
