Information Session

The Johns Hopkins Hospital Department of Radiology and the Schools of Medical Imaging are pleased to announce a series of information sessions to be held on the dates listed below, starting at 9 AM. The information session will consist of a presentation that will cover the three primary imaging programs offered by the Schools of Medical Imaging: Diagnostic Medical Sonography, Nuclear Medicine Technology and Radiography. The presentation will last about 40 minutes and will follow with a 20 minute general question and answer period. The session will end at 10:00 am. Our location is 111 Market Place, Suite 830, Baltimore, MD 21202. Someone will be at the front door of the building beginning at 8:30 AM to let you in and give you elevator access.

Please note that these information sessions are not at the hospital.
